20th TAGE

Annual Meeting 2024

Endoscopy and Surgery Interface

9th - 10th AUGUST 2024

Venue: Pullman Bangkok King Power

Friday 9th of August 2024

Time	Topic
07.30 – 08.00	Registration
08.00 – 08.05	Opening remarks
08.05 – 08.30	Keynote TAGE-ASGE Symposium Globalization of Endoscopy Practice: When East Meets West
08.30 – 09.05	1. Upper GI Session 1.1 Refractory GERD: What to do when medication fails ? - Nissen fundoplication: The goods, the bads, and when to consider ? - Endoscopic Fundoplication: Is it ready for prime time ?
09.05 – 09.40	1.2 Achalasia in 2024: Where we are - POEM vs Pneumatic Dilation: When and How ? - Heller's myotomy: Revival of the lost art ?
09.40 – 10.10	Morning Symposium (Takeda) Pharmacological rescue to refractory GERD and PUD
10.10 – 10.45	Live case: 1. Z-POEM 2. ARMS or GERD-x or F-POEM
10.45 – 11.00	Booth Tour
11.00 – 11.35	2. Lower GI Session 2.1 T1 tumor controversy: Which is the best curative approach - How superficial is superficial enough ? - an ESD approach - How deep is too deep - curative colectomy is the way to go ?
11.35 – 12.10	2.2 Incomplete resection of polyp: the Rescuing Hero - Endoscopic Salvage : What are our options? - Time to pull out the big gun?: When salvage surgery is indicated ?
12.10 – 13.00	Lunch symposium (Olympus)
13.00 – 13.35	3. Biliary Session 4.1 Altered Anatomy Conundrum: - Taking a short cut: EUS-assisted intervention - Going the Distance: SBE-assisted biliary intervention
13.35 – 14.20	Industrial symposium / live case (Creo) MWA for ESD
14.20 – 14.50	Live case: Endoscopy in altered anatomy
14.50 – 15.05	Booth tour
15.05 – 15.40	4. Unblock the Clogged Colonic obstruction - Colonic stent: Tips and Tricks to unblock the Obstruction - Surgical bypass and ostomy: A simpler solution?
15.40 – 16.15	Endoscopic approach for Duodenal Obstruction: - Duodenal stent: Pro-Cons and Everything in Between - EUS-GJ: A New Replacement for Surgical GJ... yet?
16.15 – 17.00	Live case: 4. Colonic stent 5. EUS-GJ

Saturday 10th of August 2024

Time	Topic
07.30 – 08.00	Registration
08.00 – 08.35	Post operative Biliary Stricture: - Back to basics: Stenting and dilation - What to do when standard interventions fail ?
08.35 – 09.10	When size matters: - Endoscopic vs Surgical Management of Obesity - Endoscopic Management of Bariatric surgical Complications
09.10 – 09.40	Morning Symposium (Aohua & MedOne)
09.40 – 10.00	Booth tour
10.00 – 11.30	Video Forum
11.30 – 12.20	Lunch Symposium (ERBE)
12.20 – 12.50	Endoscopic management of surgical complications - Endoscopic closure of Leak and fistula - Anastomotic conundrum: Endoscopic management of Bleeding, Ulcer, and Stricture
12.50 – 13.00	Booth tour
13.00 – 13.30	Afternoon Symposium (FERRING)
13.30 – 13.55	Future trend of Endoscopy in surgical interface
13.55 – 16.30	WIGNAP Session
16.30 – 16.35	Closing remarks

LIVE CENTER

• Rajavithi Digestive Endoscopy
Center Rajavithi Hospital

REGISTRATION FEE EARLY BIRD PRICE

Doctors : 3,500 THB
Nurse : 2,000 THB

OLYMPUS[®] FUJIFILM
